

## Signature Bingo

### Instructions

The Signature Bingo sheet featured on the next page is designed as a simple 'ice-breaker' exercise for a relatively new group.

The page has been formatted so that you can easily print the sheet onto paper or card, to distribute to each person in your group.

Armed with a pen, ask each person to find someone who matches the prescribed criteria in each square to add their signature inside the box.

The first person to complete five squares in a row (up, down or diagonal), or complete all 25 squares, wins.

Have FUNN.
