

'Value Stock Market' Cards

Instructions

Twenty-four ready-to-print 'value' cards follow this page, on three pages - sufficient for up to 24 people to play this game. For groups of less than 24 people, choose the most relevant or appropriate values for your group.

In advance, re-produce five copies of each card / page. The pages have been formatted so that you can easily print the values onto paper or card.

Once printed, cut each page into individual value cards.

Have FUNN.
