1. Ice-Breaker Question Exchange (10 mins)

1. In advance, prepare a set of 'ice-breaker' type questions on a series of index cards (see below for a set of sample questions).
2. Distribute one card to each person.
3. Ask your group to form into pairs.
4. Explain that each person will ask their partner the question on their card, to which they will respond.
5. After each person has shared, the cards are swapped, and they each seek a new partner.
6. Repeat this process many times.

Here are a set of **sample ice-breaker type questions**. Add to this list by developing a number of your own questions, or download the full set of *Print+Play Ice-Breaker Question Exchange* cards from the [Resources](#) tab connected to this activity.
